PROGRAMME MODULES

Choose One

DANCE

Dance is the joy of movement and the heart of life. Students will learn the basics of Jazz and Ballet and express their emotions and feelings through it. They will work on hand and feet positions with correct body posture to learn and enhance skills in international dance forms.

Or

DRAMA

Drama classes are more than just performances; they are a transformative journey to boost self-esteem, foster confidence, ignite creative thinking, enhance acting prowess, and develop essential leadership and teamwork abilities.

Dive in and discover the power of storytelling and teamwork in a supportive and dynamic environment.

Choose One

VISUAL ARTS

Visual art helps children grow in physical, social, cognitive and emotional development. This course will be an introduction to different methods/techniques to create different art forms to create 2D and 3D art using a variety of art media and not-so-traditional materials.

Or

FIRELESS CULINARY WORKSHOP

A fun-filled culinary workshop for our mini chefs! Unleash your creativity with easy and fun recipes and learn the discipline of food display. Our experts will train you how to make delicious treats that are sure to impress your family and friends! Students will also learn about different cultures and cuisines and be encouraged to experiment with their own unique creations.

Choose One

FUN WITH SCIENCE

A science class with creativity, curiosity and a lot of fun! The activities are designed in a way to provide students with engaging and interactive experiences that promote learning and exploration in the world of science. The classes will involve hands-on experiments, simulations, demonstrations from different areas of Physics, Chemistry, Biology and Environmental Science.

Or

FUN WITH ROBOTICS

Get ready for an exciting adventure in our Robotics Course! Designed for curious minds, this fun experience lets you dive into the world of robots. You will create cool bots, learn how they work, and tackle awesome challenges together.

Compulsory

SPORTS (Squash, Badminton, TT, Yoga & Swimming)

Sports is an inexhaustible source of inspiration and happiness which comes with several benefits for children, such as having a healthier life, gaining more academic integrity, improving medical fitness, learning discipline and respect for authority, Companionship and friendship, even Learning how to lose. Here's an opportunity for your child to participate in various sports activities including swimming.
